

## 9-3-09 Meeting Agenda

Hey Coalitioners,

Let's come together and discuss what is left to do to prepare for HemlockFest! Hopefully we will have rack cards ready for dispersal as well. Hope to see you all there!

\*As a side note, I would like to encourage everyone to come support Shenanigans' muscular dystrophy (MD) fundraiser the weekend of Labor Day (Sat-Mon). They work hard to help out the hemlocks, and it would be great if we could show our support for their other contributive efforts.

So the hemlocks may live...
